A man with glasses and a blue suit jacket, identified as Bro. Herb, is speaking at a podium. He is smiling and looking towards the right.

THE PURPOSE OF THIS JOURNEY GUIDE

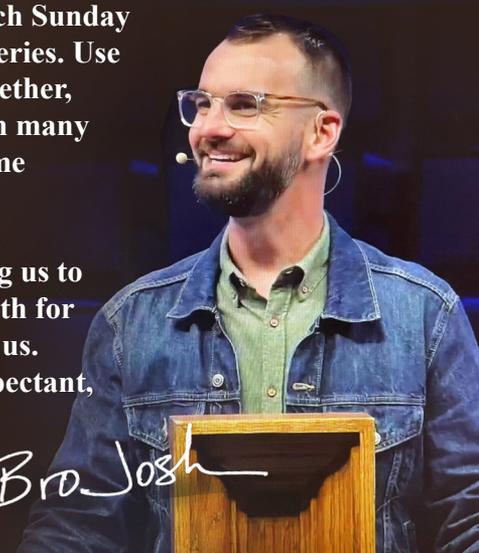

We are embarking on a spiritual journey unlike any other, united by a vision that God has placed before us. With grateful hearts, we believe this is a once-in-a-generation time — a calling to shape the future for the next generation. As the North Jax family, we come together with faith and anticipation, ready to see God do even greater things in and through us.

Through our worship services and daily time with God, we ask Him to reveal His vision and empower us to act on it now. This is not just a collective prayer for the future of North Jacksonville Baptist Church; it's a personal commitment to embrace the work God is doing today because the future is now.

Thank you for joining us on this transformative journey of faith. Together, as one church family, we seek God's guidance to align our hearts with His will. We trust Him to accomplish mighty works that only He can do, and we are eager to be His partners in mission, reaching the next generation for Jesus.

Bring this journey guide with you each Sunday as we explore this powerful sermon series. Use it to take notes, reflect, and pray. Together, let's boldly ask God to use us to reach many for Christ and nurture them to become lifelong disciples of Him.

The future is now—and God is calling us to be the generation that steps out in faith for the sake of those who will come after us. Let's answer that call, united and expectant, trusting Him to do immeasurably more than we can ask or imagine.
